VOX-CS30B

5" Full Range 2-way Multitap

Indoor/Outdoor Cabinet

Speaker – 70V

DESCRIPTION

The VOX-CS30B is a high-end cabinet speaker designed to provide excellent sound quality in high performance commercial foreground and background music installations where construction and the acoustic environment require a surface mounted loudspeaker system. The VOX-CS30B has an appealing, yet unobtrusive look that suits virtually any installation.
